RE: United States v. Lamont Brown
19-MJ-147

Dear Judge Orenstein:

I am writing on behalf of the above client and his two suretors, his mother Tracy Brown, and his aunt Yvonne McClellan. I have been advised that PTS is seeking a modification of the bond to include random drug testing, substance abuse evaluation and treatment as directed by PTS. I have advised my client and both suretors of this application. My client and his suretors agree to this modification.

Thank you in advance for your consideration.

Sincerely,

Gary Farrell
